

October 2022

## BC Fall Dairy Producer Meeting

Tuesday, Nov 29: 10 to 3 (lunch included)

Chilliwack Curling Club, 45550 Spadina Ave, Chilliwack

All dairy producers are invited. No charge.

RSVP to [office@greenbeltvet.com](mailto:office@greenbeltvet.com) or call 604-792-1501

## Keynote Speaker: Dr. Gordie Jones

### Managing Heat Stress in a Warming World and New Concepts in Dairy Design: The All Season Hybrid Barn

Dr. Gordie Jones is currently an independent dairy performance consultant and a partner of Central Sands Dairy LLC. He has consulted with dairy producers and veterinarians across the U.S. and globally, on dairy herd performance, nutrition, cow environments, dairy housing, and cow comfort. Gordie brings a wealth of experience and practical knowledge to his presentations. You don't want to miss it.

## Other presentations will include:

### Salmonella Dublin at the Rayner Dairy Facility

Jay Olyniuk is the herd manager of the Rayner Dairy Research and Teaching Facility at the University of Saskatchewan.

### Prevalence of Salmonella Dublin in BC Dairy Herds

Dr. Ellen Boyd is a veterinary epidemiologist at the BC Ministry of Agriculture and a graduate student at the University of British Columbia School of Population and Public Health. She is a key member of the Salmonella Dublin Investigation and Management Program (SDIMP), with her thesis work focusing on establishing the prevalence of Salmonella Dublin in BC dairy farms, while also identifying BC specific risk factors that will hopefully aid in the mitigation and management of this disease in BC.

### Salmonella Dublin: A Really Good Reason to Practice Biosecurity

Dr. John Dick is a veterinarian with Greenbelt Veterinary Services and an advisor to the BC SDIMP team.

Presented by Greenbelt Veterinary Services and BC Dairy
